Take Action for Libraries!

We need your help! Our library is funded through the State of Ohio Budget. (We do not have a property tax levy as other public libraries in the state have). Please contact your Ohio State Representative and Senator to let them know the wonderful things the Logan-Hocking Library provides for you and your family! Scan the QR Code below or click on the link to look up your representatives. Or, feel free to drop off a letter of support to the library and we will mail or fax it to your representatives on your behalf.

We appreciate your support!
